
Chairman's

Message

It is with great pleasure that we welcome the New Year through this creatively designed calendar. KDF is privileged to partner with the students from The Student Agency, Singapore Polytechnic Design School and present to you this special calendar for 2015.

In this calendar, the students featured 12 types of food elements with photographic techniques and typography. Their idea is to let the food speak for itself from an artistic angle. We hope these pictures will bring you joy every day, and encourage you to lead a positive and healthy lifestyle.

We would like to take this opportunity to thank all of our donors and supporters for their kind contributions over the years. Throughout the production of this calendar, we are also appreciative and thankful for the fine creative effort, and precious time spent by these five students. They are-Francesca Fernandez, Koh Wan Xin, Toh Xing Jie, Chen Fang and Chan Wei Xiong.

Wishing you good health, happiness and prosperity.

Yours sincerely

Dr Gordon Ku
